

Townhouse for sale in Puerto de Mogan

Reference: Ans85

450,000€

289m²

*** Offered by Anderssons.es *** Complete building in Puerto de Mogan . 150 meters from the harbour and beach with fantastic views. In need of a complete renovation of the structure, BUT definitely an investment opportunity as 4 luxury apartments can be constructed + a penthouse, and later be sold individually. Or rented out with a good income. As the building is situated in a "residential area", a VV (Vivienda Vacacional) certificate can easily be obtained. (license for holiday short term letting) Contact for more information.
