*** Offered by Anderssons.es *** A property with many possibilities! A perfect opportunity for someone who wants to personalize their own home for a large family OR for an Investor, dividing the property into several apartments to rent out. Totally independent plot with a large home located in the heart of Maspalomas, very near the golf course and the dunes. The house, built in 1985, consists of two floors. The main floor with its 220 m² welcomes you with a large and airy entrance. Here you find 3 large double bedrooms. Master bedroom with an en suite bathroom and walk-in closet. A small office. Bathroom and a guest toilet. A separate living room and a very spacious kitchen with a dining area. The kitchen is connected to a utility room with its own direct access from where you can park 4 cars on your private ground. On this floor, you also find a studio with a private entrance. Corner windows and stairs that take you to the basement. Totally independent from the rest of the house, this could be converted into a self-contained apartment. In the basement, 250 m², there are 2 large-scaled rooms. One could be turned...
