Luxury, stunning villa in the heart of Maspalomas. Located only five minutes walk from the Golf course and 15 minutes from the beach. This luxurious and high-tech property is newly rebuilt to an extremely high standard. The entire plot of 604 sq meters, is surrounded by high fencing to give you total privacy and discretion. Entering the property, the large and spacious terrace welcomes you with a heated swimming pool (10m x 4m) with incredible functions (it has a massage shower, counter-current system, massage bed with three seats, and a fountain) All these details combined with a wooden floor deck surrounded with palm trees, modern sun loungers, and led lights all over makes the villa the the greatest state of the art for luxury living and relaxation times. As well a spacious seating area that...
